About Us:
Wynyard Church of England Primary School opened in 2015, quickly establishing itself within the local community, as well as achieving an 'Outstanding' grade from Ofsted in 2018 and 2024. The school offers an inspiring curriculum and provides children with high achievement, confidence and strong moral values underpinned by a distinctly Christian ethos.

Our school is a vibrant and inclusive educational community committed to providing high quality learning experiences for all pupils. The school has a holistic approach in ensuring personalised support for all pupils and strives to create an environment where every child can believe in themselves, achieve their goals and develop the skills necessary to succeed in their future.

This is a varied Teaching Assistant role combining classroom support with our Tea Club provision. During the afternoon, the successful candidate will be supporting pupils with their learning, development and well-being and working closely with class teachers and wider school team. From 3.30pm until 6.00pm each day, the role will then move into our Tea Club provision, helping to provide a safe, welcoming and enjoyable environment for children at the end of the school day. This will involve supporting and engaging children in a range of activities, promoting positive relationships and ensuring that children are well cared for throughout the session.

We are looking for someone who is flexible, enthusiastic and nurturing, and who will enjoy working with children in both the classroom and wraparound-care environments. The ability to build positive relationships with children, colleagues and families will be an important part of the role.

If you are ready for a new and exciting challenge, we will offer you:

- A positive and welcoming working environment
- Children who are excited and eager to learn
- High quality, personalised professional development
- Creative and innovative approaches to teaching and learning

Do you have a passion for working with children and a commitment to promoting well-being and academic development, ensuring every pupil is supported to fulfil their potential and flourish in education? This is an exciting opportunity for anyone wanting to work in a brilliantly supportive, inspiring, and enjoyable working environment, giving you the opportunity to make a positive difference to the lives of young children every day.
