LEADING THE WAY

Landmark Teaching Alliance

Dear Candidate,

Thank you for your interest shown in our current vacancy. We are very proud of our school and in the fact that it is regarded as "Outstanding". Understandably we wish to maintain the judgement and are looking to appoint a Head Teacher who has the drive, energy, qualities and skills to continue to motivate both staff and pupils and so sustain our high expectations and performance.

As Chair of the Governing Body I am very aware of the efforts of everyone in school in achieving our success. The current Head Teacher and Deputy Head Teacher have been tireless in their efforts to create a professional team who are dedicated to ensuring every pupil is valued and succeeds. All members of staff are valued for the contribution they make to school improvement and to the high quality teaching and learning evident in the school.

I realise also that there are challenging times ahead and that the school requires strong and inspirational leadership to ensure that any changes in organisation or status do not impact adversely on the standards of work and achievement.

You will have the full support of the Governing Body in implementing necessary developments and in managing the challenges of the ever-changing educational landscape. You will also have the expertise of highly skilled members of staff who are willing to take on responsibility and will support you in leading the school forward.

I look forward to receiving your application and hope that you feel you are excited by the opportunity to become Head Teacher of Westgarth.

Yours sincerely,

J C B West.

Janet West
Chair of Governors
