January 2017

Dear Applicant,

Thank you for your interest in the position of Headteacher at Ward Jackson Church of England School. We hope that you find the enclosed information both interesting and informative and that it will assist you in your application.

We are looking to appoint someone who will be an inspirational leader who will continue to build upon current achievements. The governors and staff are very proud of their school and its achievements and are committed to its ethos of providing a friendly inclusive environment with strong pastoral care that values every member of the community.

I became associated with the school in 2005 when I joined the Governing Body as a Community Governor and have seen many improvements over the years since then. I continue to be impressed by the dedication and commitment of the staff in the school and the progress that has been made over the last 11 years. I look forward to working with the successful applicant to see that this continues.

Staff, governors, parents and carers all work extremely hard together to ensure pupils have every opportunity to enjoy the best of primary education. We have active support from our parish church and a good working relationship other local schools in the area.

We are aware that there are challenges ahead and to the right candidate, this position will be a very rewarding experience with an opportunity to really make a difference.

You are invited to visit our school prior to interview, so please ring to arrange a suitable time. We look forward to receiving your application form.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J. Dodd'.

Jeanette Dodd
Chair of Governors
