Dear Applicant

email: enquiries@hummersknott.org.uk
web: www.hummersknott.org.uk

TEACHER OF MATHEMATICS

Executive Principal: Mr J M Keating B Ed Hons NPQH

Thank you for your interest in the above post. We are seeking to appoint a Teacher of Maths who can inspire our students ensuring they make rapid progress in lessons. We offer a strong positive learning environment, a student body who are keen to succeed and a commitment to personalised professional development opportunities. The latter focuses both upon teaching and learning and leadership and management.

Hummersknott is a successful and popular Academy described by Ofsted as "Good" in October 2013. You will be expected to play a full part in ensuring the welfare and safety of our students as well as ensuring they make good progress both academically and in their social and personal development.

We are keen to appoint the best teachers we can and are prepared to reward those who take up the challenge. The post is permanent starting in September 2017. It would suit either an experienced teacher wishing to further develop their teaching and prepare for a leadership role or a newly qualified teacher.

Applicants must complete an Academy application form in full (available on our website) and **include a letter of application, outlining your approach to Mathematics, how your experience to date has prepared you for this post, why you have chosen teaching as a career and why you would like to work at Hummersknott Academy. In your letter you should also set out how you would ensure all students are motivated and experience high quality teaching and learning in Mathematics.**

Please note that if you are a newly qualified teacher, you will need to provide evidence that you have passed your skills tests. In addition, we would like you to provide us with the contact details of the staff in your placement schools, as well as the name and address of your PGCE Tutor, if you haven't already cited them as referees on your application form.

The closing date for return of completed forms is Friday 28 April 2017 at 12 noon. It would therefore be appreciated if you could complete and return your application form as soon as possible. Only shortlisted candidates will be contacted. This post is subject to all relevant safeguarding checks which include a satisfactory Disclosure and Barring Service check.

I look forward to receiving your application.

Yours faithfully

JAMES KEATING
Executive Principal
