Service Manager

Full time position

Salary: NJC point 28 £24,964

Do you have skills and experience in management and are ready for a new challenge?

Do you have the experience and enthusiasm to support our service delivery?

An exciting opportunity to become the service manager of this thriving charity. Based in Northallerton, you will be responsible for leading and managing our valued support service to unpaid family carers of all ages. With an emphasis on taking an operational lead, this post requires a skilled and strong leader. We are passionate about supporting carers and we need someone who can drive our mission forward, ensuring that the organisation provides a high quality service to all carers. We can offer a flexible and friendly working environment which provides an opportunity for a leadership role in this growing charity. For an informal discussion about this post please contact Simon Hills, Interim CEO.
