- To be a role model for teaching and learning within The Academy and play an active role in the professional development of colleagues.
- *To play a key role in the support and development of less experienced teachers.*
- To prepare pupils for external examinations and have up to date knowledge and understanding of the different types of qualifications and specifications and their suitability for meeting the needs of pupils.
- *To support other teachers/ colleagues in developing their knowledge and understanding of external examination expectations*
- To support and actively promote the ethos, values and aims of the community of Academy 360 and to positively promote the work of the Academy within the Academy and throughout the wider community it serves.

- To play a leading role and make a significant contribution to implementing all policies of the Academy and promoting collective responsibility for their implementation.
- *To reflect on and evaluate practice in relation to policies.*
- To comply with the Academy's Health and Safety policy and undertake appropriate risk assessments.
- To contribute to ensuring the health and safety of all pupils through managing and supervising their safety at all times.
- To have high expectations of yourself and of all pupils and to act as a positive example to pupils within the Academy environment.
- To take a lead role in working with other staff to evaluate and monitor the Academy curriculum.
- To take a lead role in promoting collaboration and team work and contribute positively to effective working relationships within the Academy.
- To engage actively in Performance Management and Professional Development and to take responsibility for your on-going development in your role as a teacher at Academy 360.
- To contribute to the professional development of colleagues through coaching and mentoring, demonstrating effective practice and providing advice and feedback.
