

Outstanding Opportunities at Avec Partnership

Avec Partnership Ltd is dynamic and growing business based in Darlington, but with a team that works across the north of England. We work with schools and academies providing a range of professional support services such as Finance, HR, Governance and Health & Safety. Our team consists of highly skilled, professionals with an extensive knowledge base providing highly valued services to schools and academies.

We are looking to recruit outstanding, high calibre and adaptable individuals who are articulate, confident, and can conduct themselves in a professional manner at all times. Candidates will be experienced professionals, who are willing to work flexibly, with excellent communication skills, and be responsive to the needs of our clients. Candidates who possess a background in schools, academies or local government will have a distinct advantage.

We are seeking exceptional candidates for **full and part time** opportunities we have within our Governance service.
