

Executive Principal: Mr K Reynolds

Consett Academy opened in January 2012 and in September 2015, moved into a new multi-million pound purpose built campus in the heart of Consett - offering unrivalled facilities for our students and the local community.

The Academy lead sponsor is New College Durham and we are co-sponsored by Durham County Council, both award-winning providers of outstanding education in our region.

Consett Academy will be an outstanding school for the 21st century, based on three core principles:

- **Inclusion:** We are committed to every student and seek to realise each child's potential, ability and talent.
- **Progression:** We will encourage and support all students, offering effective guidance and support.
- **Excellence:** The focus on excellence will underpin all our activities and expectations as an Academy.

We want exceptional people, who can help us in our journey to become an outstanding provider of education. Applicants should therefore be passionate about the attendance of the students - promoting a positive attitude to ensure that students are present to derive maximum benefit from their education.
