

Sunderland City Council & Together for Children – Sunderland

**Director of Children's Services/
Chief Executive Together for Children | c. £130,000**

One of the first organisations of its type in the country, Together for Children is an arm's length company delivering children's services for the city of Sunderland, including children's social care, education, fostering and adoption. The Chief Executive also holds the statutory role of Director of Children's Services for the City Council.
