

Teacher of Mathematics MPS/UPS

The Mathematics Department at Durham Johnston Comprehensive School is innovative and committed to delivering a high standard of teaching and learning. All departmental members are committed to developing the knowledge, skills and understanding of all pupils. We believe that studying Mathematics is fundamental to young peoples' development and has a special role in securing their futures.

The Mathematics Department here is well respected with a full complement of specialist teachers.

Person Specification

The following points give a list of qualities which are essential for appointment to this post (with the methods by which they will be assessed indicated in brackets).

1. An honours degree in an appropriate mathematics related discipline.
