Headteacher Mrs. H. Hall

Dear Candidate,

We thought we would write to you to let you know what the children of South Bank Community Primary School would like from our new Head teacher. We love our school very much and we are very proud to come from South Bank. Our new head teacher must understand that South Bank is a very special place and know that we all work together in this community to make sure we achieve our best. All our children achieve brilliant results because we work very hard with our teachers and want someone who will help us keep South Bank Primary school on the map!

We are the School Council and we represent the children of South Bank Community Primary. We want our new Head teacher to be:

- Easily approachable; someone we can talk to who will listen to what we have to say and be honest in their response
- Someone who is seen regularly throughout the school and makes a point of learning about the pupils – we like it that all our grownups know us by name!
- Have great respect for all children, staff and parents and be a good role model
- Someone who would be proud of the school and would not just accept it as it is but would take it forward
- Organised and calm and allows the children to have a voice
- Someone who cares about each of us, is kind, thoughtful and happy
- Firm but fair when dealing with children's behaviour
- Someone who gives praise and rewards to children's achievements
- Enthusiastic, happy, cheerful and positive
- Kind and creative, have exciting ideas that the children would enjoy
- Confident, clear and able to interest an audience e.g. assemblies

The whole council was in strong agreement when discussing how school made them feel. We all feel very safe and protected inside school, as it is a place we can be happy and we want to continue feeling this way.

The School Council would like to wish you the best of luck in your application.

Yours faithfully, The School Council. (On behalf of the Children of South Bank Primary)
