Information about our School

Thank you for your interest in the vacancy at our school. Grangetown Primary School is a medium sized primary and nursery school for boys and girls of all abilities from 2 – 11 years old. There are currently 269 pupils on roll.

One of the key 'strengths' of our school is our staff: friendly, dedicated, motivated and highly professional. Our priorities as a school are focused very clearly on ensuring that the children make good progress in their learning, and that they are happy and safe. We had a very successful Ofsted Inspection in June 2017.

There are 15 teachers and 10 classroom based Support Staff (Teaching Assistants & Nursery Nurses). We have 3 Administrative staff, and a team of 7 Lunchtime Supervisory Assistants.

We work hard to provide opportunities and experiences that enable pupils to achieve their best, in an exciting, stimulating and friendly environment.

Facilities

The school was built in 2003, and offers world class facilities. We have spacious classrooms, two purpose built Nurseries, a library, two halls, an ICT Suite, fabulous outdoor areas, and a well-equipped kitchen in which lunches are cooked on site.
