

The Health and Social Care Department

The department comprises of one classroom which is a computer suite with 30 computers available to complete coursework.

The department is well resourced. All teaching areas have a staff PC, interactive whiteboard and access to ICT suites.

The KS4 curriculum is condensed into 3 years beginning in year 9 with completion in year 11.

KS4 begins in Year 9 – all students are currently completing the new Pearson Tech Award in Health and Social Care. Within the department we also offer the NCFE Level 2 CACHE award in Child Development and Care.

The Health and Social Care Department has an outstanding relationship with students and is one of the most popular option subject within the school. GCSE Health and Social Care results have been outstanding for the last 2 years and we are expecting outstanding results again in the summer with the new Tech Award.

Outcomes are shown below:

17/18 – 92.3% A*-C

16/17 – 76.2% A*-C

Behavior and climate within Health and Social Care is exemplary, students are extremely engaged within the subject with high levels of pupils progressing onto level 3 Health and Social and Childcare Courses.
