

Discovering, learning and achieving together.....

Lingfield Primary School is a 210 place primary school with a 26 place Nursery. We serve Marton and the immediate surrounding areas of Coulby Newham and Nunthorpe.

Following the retirement of our much valued Administrator, we are seeing to recruit a suitably experienced and qualified Administrator during an exciting phase of the school's development. We formed the James Cook Learning Trust last year and are now in our second year of operation. The Trust comprises of Lingfield Primary School, The Avenue Primary School, Captain Cook Primary School and Marton Manor Primary School. Geographically we are all very close, in the south cluster of Middlesbrough. We are all high performing schools who have a reputation of ensuring continued success for all of our pupils. Whilst converting to an academy has at times been a challenge in terms of introducing new systems, there are also many opportunities available, including being able to work with Admin colleagues from across the other three schools within the Trust.

We are a warm and friendly staff who are committed to doing the very best we can for our pupils and the families we serve. The Administrator is a key person in making and developing the home school relationship, which is so vital to the work that we do. Being 'front of house', you will be the first point of contact for many of our families. If you think you have the necessary skills and experience to help the school and the Trust move forward whilst maintaining the warm and friendly welcome required, we would love to hear from you.

Phil Thackstone
Head Teacher & CEO
