FRAMWELLGATE SCHOOL DURHAM
DEPUTY CURRICULUM LEADER: MATHEMATICS
MPS/UPS + TLR 2B
Required from 1st September 2020

Opportunities don't come around like this very often. We wish to appoint an ambitious and motivated teacher with a high level of subject expertise and the interpersonal skills necessary to support a newly appointed curriculum leader of a large team of staff, in developing the curriculum, further improving the quality of teaching, and ensuring that our students enjoy maths and achieve highly. You will be joining a rapidly improving and growing school, a Headteacher who took up post in 2017, and an excellent group of leaders and teachers who are now having a significant impact on the quality of teaching and outcomes. With a new ethos and uniform in place, excellent behaviour and an aspirational culture, we want to achieve more. We received a very positive Ofsted inspection in May 2018, where our leadership & management, 6th form, and students' personal development, behaviour and welfare, were all graded "Good". Our A Level progress figures in 2018 were the best in Durham, and we have made significant improvements to our curriculum and teaching, and to reducing teacher workload.

Framwellgate School Durham is a rapidly growing 11-18 non-selective secondary school and Single Academy Trust. The school roll will have increased by 25% in two years and by September 2020 we will be oversubscribed with more than 1300 students on roll.

The successful candidate will possess the subject expertise to teach GCSE and A Level maths. They will believe that every young person deserves the very best education. A commitment to raising achievement, and a willingness to learn, train and develop as a teacher and leader are all essential. We can offer you an environment where student behaviour is excellent, prior attainment levels are amongst the highest in the North-East, and our students and staff are a pleasure to work with. With over 20 new teachers appointed over the last two years, we have quickly become a vibrant and exciting school in which to develop your career.

This job is suitable for strong maths teachers who wish to develop their leadership skills. Ideally you will be able to visit and meet with the Head Teacher prior to submitting an application. If you would like to arrange a visit please contact Fiona Thompson, Executive Assistant at Thompson.f@framdurham.com to make arrangements.

Key Dates

The closing date for applications is **Monday 20th January 2020 at 9.00 am**

Shortlisting will take place on Tuesday 21st January 2020

Interviews are scheduled to take place on **Monday 3rd Feb 2020** (a new Curriculum Leader will have been appointed the previous week)

Framwellgate School Durham is committed to the safeguarding of children and young people. An enhanced disclosure from the DBS and Section 128 clearance will be required for this post, together with completion of a pre-employment health questionnaire.

Letter of Welcome from Andy Byers, Headteacher

Dear Applicant

I am delighted that you are interested in this post. Framwellgate School Durham (FSD) is a fantastic school. I took up post in September 2017 and have appointed a new Deputy Head, 2 new Assistant Headteachers, and a Director of Safeguarding, all of whom took up post in January 2018. Working alongside our other talented and experienced staff, the potential is here to make the school truly outstanding. Although our 2016 and 2017 outcomes were below average, the intake of students at key stage 2 is on

a par with most of the high performing schools in the region and we significantly improved outcomes in 2018, achieving similar results again in 2019. Student behaviour is excellent, and we put a great deal of emphasis on ensuring that teachers can work in an environment where students want to learn. The strength of the school has always been its caring ethos and strong community links, and these remain. By introducing new systems to manage behaviour, rewards, assessment, marking, and teaching, and with a new ethos and curriculum, we have made huge strides in transforming the school.

I am looking for teachers and leaders who are passionate about their subject, have excellent subject knowledge, and who are reflective practitioners, to help us to continue to improve outcomes. I think this is an incredible opportunity and hope you will too; you must be able to lead an effective team and demonstrate resilience, humour and enthusiasm. You must never settle for second best. I will guarantee you our time and support and a fabulous place to come to work every day, especially as we have taken significant steps to reduce teacher workload.

If you can, please come and visit. I'd love to talk to you in more detail about our plans and if you haven't visited the school before, I think you will be impressed with many aspects of it. You might also want to decide whether you can work with us!

In your application, please focus on what makes you an effective teacher and leader (or potential leader). Tell me why you are passionate about your subject and make me feel like I am reading about you; try not write a generic letter which ticks the right boxes but doesn't tell me what you are like as a teacher or colleague. You should also tell me about your recent successes and outcomes with the students you currently teach.

I am also very interested to learn about what else you can offer the school. I am sure that the thing you remember most about your own time at school was the sports team you played in, the trips or visits you went on, or the school production you were part of. We need our staff, whatever subject they teach, to share their passions (human rights, music, sport, the environment, outdoor education, drama etc.) with our students, so that our extra-curricular offer is truly special.

We have changed so much over the last two years (new teachers including many NQTs, a new sports centre, a new school day, dedicated CPD time each week, a new ethos statement, new uniform, a new curriculum) and have much more planned for 2020. Developing teachers in a supportive environment is at the heart of what we do.

Finally, one of you reading this will become a deputy curriculum leader in a fantastic school next September. You will love it. Good luck with your application.

Yours faithfully,

Andy Byers

About the school

Framwellgate School Durham (FSD) is an 11-18 school which was granted academy status in 2011. There are approximately 1250 students on roll including 130 in the Sixth Form. Our roll is projected to increase by a further 50-60 in September 2020 (by which time we will be oversubscribed), and within the next two years, we envisage a roll of 1400 including 230+ in the sixth form. The school serves the population to the north of Durham city, primarily from the Newton Hall estate, but we attract students from a wide surrounding area and over 20 feeder primary schools. We are a high achieving 11-18 academy with a strong track record in both provision and outcomes. We are fully committed to the students in our care, and work to ensure that both the pastoral provision and quality of teaching is the very best.

Aims and ethos

Framwellgate School Durham is a community that values learning and celebrates achievement. We are an inclusive comprehensive school with high expectations of both our staff and students alike. In the Spring of 2018 we consulted students, staff and parents, and re-evaluated our ethos; the result of this exercise was a new ethos statement (below) which emphasises compassion and kindness and places the well-being and happiness of our students alongside academic achievement. Our new school uniform was introduced in September 2018.

Excellence, Compassion and Respect for All

Our school promotes academic excellence and embraces the shared values of honesty, integrity, respect and compassion. We want our students to be ambitious, kind, resilient and hardworking, and have a genuine passion for learning. We want them to change the world with the knowledge, skills and confidence they have learned here; to champion fairness, have friendships for life, and pride in our school. Above all, we want our students to be happy.

The curriculum

We are committed to providing a knowledge rich curriculum which responds to the needs of the individual student, whilst ensuring access for all to a broad and balanced range of educational experiences. For many students, this means learning with us from 11 to 18. We view this as a continuous, coherent journey and see one of the most important functions of learning, during any key stage, as being to prepare students for the next one. Our curriculum is carefully planned and sequenced and taught by subject specialists.

We recognise that whilst all our students have needs, some have more significant barriers to learning. We are an inclusive school, and through the work of the Achievement Centre, we seek to remove or minimise any barriers to learning that our students may have, be they emotional, physical or academic.

At Key Stage 4 and 5, students receive options guidance linked to future aspirations, and we offer a significant number of GCSE, A Level and BTEC courses which meet the needs and interests of all our students. Nearly all our Year 13 students go on to university, most choosing to study at Russell Group universities.

Pastoral Care and Support

Pastoral care is a strength of the school. This was recognised by Ofsted in 2018. All students are placed in tutor groups, and almost all teachers have a pastoral responsibility, remaining with their tutor group as they move from Year 7 to 11. The tutor is the first port of call for all students. In 2018 inspectors praised student behaviour; indeed, we

Excellence, compassion & respect for all

FRAMWELLGATE

place a real emphasis on this aspect of school life and believe that teachers can't teach, and students can't learn, unless behaviour in the classroom, and around school, is excellent. We have effective and robust systems in place to manage behaviour and tackle issues from low level disruption, to more serious incidents.

Teaching and Learning

Having introduced new systems to manage various aspects of school life, and a new knowledge rich curriculum, we have spent 2019 developing and improving our classroom practice. We place a very high priority on developing our staff professionally. Middle leadership training has been a strong focus this year and there is an extensive programme of CPD opportunities which seeks to support all staff, identify their development needs and move forward in their practice. In 2017 we introduced collaborative planning time for all departments, to allow them to work together to plan exciting and engaging lessons.

We aim to ensure that our teaching stretches and challenges students, and we are increasingly research-led. We don't ask teachers to follow a prescribed learning cycle but we have invested a significant amount of time on training and CPD and have embraced Rosenshine's principles in planning the key ingredients of a good lesson.

The development of teaching is supported through a supportive appraisal process (no data-driven progress targets and objectives linked to improving professional practice), and lesson drop-ins and learning walks. The support for NQTs is exceptional and we are in the process of developing other training strands for RQTs and those aspiring to middle and senior leadership.

Ofsted

Ofsted does not determine our practice, nor does it dominate our thinking, but we believe that our ethos, curriculum, teaching and support for students are such that an inspection will confirm our own judgements and recognise our successes. Our inspection of May 2018, soon after the new leadership team had taken up their posts, confirmed that we were heading in the right direction. Inspectors highlighted the following **"Strengths:**

- The new headteacher, supported by a recently appointed and skilled senior team, has brought much-needed drive and ambition to the school. In a short period of time, they have tackled a significant number of weaknesses effectively.
- Pupils' behaviour, sixth form achievement and pupils' progress in English and mathematics have improved. The quality of teaching is also improving.
- Pupils behave very well around the school. Most are attentive in lessons and show respect for each other's opinions. Parents and pupils value the high level of support provided by the school's pastoral team
- The sixth form is good. Most students make strong progress in their chosen studies. They are well supported to go onto higher education, training or employment."

A positive monitoring visit in July 2019 demonstrates that we are on the right track.

The Website and Social Media

Our website (www.framdurham.com) gives an insight into the school and I would encourage all prospective applicants to look at it although **please note that we are updating this in the early part of 2020 to improve the curriculum information**, overall look, and navigation on the whole site. Many departments have an active twitter account and you may be interested in the Headteacher account (@framheadteacher) and school account (@fram_official). The Headteacher also writes a weekly blog (www.framheadteacher.com)

The Maths and Computing Department

This year represents a period of significant change within the maths department. Not only do we wish to appoint a Deputy Curriculum Leader in maths, we are also advertising for a Curriculum Leader too; this means that the successful candidate will be able to help shape the future direction of the department in a newly appointed team.

The department in 2020 will consist of 8.4 FTE maths teachers and 2.0 FTE Computing and IT teachers. Almost all of our team have maths degrees, so the level of subject specialism is high.

Attainment improved significantly between 2017 and 2018 and there was some further improvement in 2019 (particularly at 9-7) but progress remains lower than we would like so there is much work still to do.

Maths	2017	2018	2019
% 9-4	70%	77%	78%
% 9-5	47%	60%	52%
% 9-7	16%	17%	22%

I would encourage you to make an appointment to meet with me individually (prior to making an application) so that I can answer any questions you may have, and I can outline our vision for the school.

Finally

We can offer the successful candidate:

- A great school to work in with huge capacity for change;
- A talented and committed staff dedicated to securing the best outcomes for our students;
- A vibrant local community, loyal to the school, with very strong relationships between staff, students and parents;
- The opportunity to help FSD improve further and put teachers at the heart of this improvement.

Good luck with your application.
