INSTRUCTIONS FOR PROSPECTIVE EMPLOYEES

This document contains instructions on the documentary evidence that you must provide to your prospective employer to demonstrate your entitlement to work in the UK.

You must provide a document, or documents, from one of two lists called List A and List B **before you start work**. Your prospective employer will check and take copies of the documents that you provide.

Documents from **List A** establish that you have an ongoing entitlement to work in the UK. Documents from **List B** indicate that you have restrictions on your entitlement to be in the UK.

If a document, or documents, from **List B** are produced, **the documentary check will be repeated at least once every twelve months**, until you provide a document or documents from **List A**. If you cannot provide a document or documents from List A, you must produce an extended or renewed document or documents from List B. If you are unable to obtain a document or documents from List A and cannot prove that the process of having a document or documents from List B extended or renewed is an ongoing process, you will be dismissed from your employment.

List A and List B are shown in Appendix 1.
