

"The school's work to promote pupils' personal development and welfare is outstanding" OFSTED 2016

Acklam Grange School achieved an overall good grade with outstanding features
in its recent Ofsted inspection.

Highlights of the report include the following comments:

"Effectiveness of leadership and management is outstanding... and reflective of an exceptional collective workforce."

"As a result of stronger leadership and better quality teaching, outcomes for pupils are good and improving."

"Staff promote a culture of safety alongside values of tolerance and mutual respect that prepares pupils well for life in modern Britain."

PRIDE

Message from the Headteacher, Ms Andrea Crawshaw

“Acklam Grange School is a good school with outstanding features”
Ofsted 2016

Our students' academic progress and personal development, welfare and safety are a continual focus for all staff and at the heart of all that we do.

At Acklam Grange School, through good or better teaching; good student behaviour, outstanding personal development and welfare, rigorous safeguarding, through AGS Pride, ARC Services, excellent community cohesion and high quality partnership work, including with our partner primary schools and local community groups, we ensure that all students receive a 'rounded' education and are well prepared for life in modern Britain.

Well done and thank you to students, staff, parents, governors and partners.
