SAFEGUARDING CHILDREN

The Trust, and its academies, are committed to Safeguarding and Promoting the Welfare of all children. We recognise that some children *may* be especially vulnerable to abuse e.g. those with Special Educational Needs, those living in adverse circumstances.

The Trust's Child Safeguarding Policy applies to all adults, including volunteers, working in or on behalf of the Trust.

Everyone who works with children has a responsibility for keeping them safe. No single practitioner can have a full picture of a child's needs and circumstances and, if children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action

Working Together to Safeguard Children DfE 2018

The Trust pays full regard to DfE guidance 'Working Together to Safeguard Children DfE 2018'. Anyone who works for the Trust, who is likely to be perceived by children as a safe and trustworthy adult (including volunteers and staff employed by contractors), is subject to appropriate checks in line with current legislation and best practice.

Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history and ensuring that a candidate has the health and physical capacity for the job. It also includes undertaking interviews and, where appropriate, undertaking checking details with the Disclosure and Barring Service.

Candidates should be aware that all posts in Tees Valley Education involve some degree of responsibility for safeguarding children and young people, although the extent of that responsibility will vary depending on the nature of the post.

Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and, therefore, all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offence, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children, your current employer will be asked about your suitability to work with children, although it may be answered 'not applicable' if your duties have not brought you into contact with children or young people.
