There are three parts to the form; A, B and C. You **must** complete Parts A and B of the application form (Part C is voluntary) and return all parts of the form. If they are not relevant to you, please mark them as 'not applicable', or 'n/a'. Incomplete application forms may not be considered for short listing.

If it is difficult for you to complete the form (e.g. if you have a disability or if English is your second language) and you require an alternative format, please contact the Recruitment Team on 0191 643 5074.

This includes where your right to work in the UK will be dependent upon your successfully gaining a visa or sponsorship, required under the UK immigration system in operation since December 2020.

Pre-Employment Checks

An offer of employment with North Tyneside Council will only be finally confirmed when all pre-employment checks such as references, qualifications, medical, right to work in the UK, and DBS or Safeguarding checks (where appropriate) are completed and satisfactory.

References

The nature of the role will determine how many references are required and from whom and will be applied as follows:

- **Standard Posts**

When the role being recruited to does **not** involve work with children, young people or adults at risk of harm you should provide details of referees as follows:

- One reference is required from your current or most recent employer (as above from employer or line manager, not just a colleague) and should cover a period of 2 years. Where the first reference does not cover a 2-year period a further reference will be required.

The following exceptions will apply:

1. Where the you have been in education and have no recent employment history you should provide a referee from your educational establishment, or;
2. Where, due to personal circumstances, you are unable to provide a referee from employment or education. For example, you may have been:
 - Long-term unemployed since your last job, or from leaving education (more than 7 years)
 - Looking after children, fostering or being a carer, or
 - Undergoing long-term medical treatment that has prevented you from working or studying.

North Tyneside Council is committed to supporting people into work and therefore **in these circumstances**, (which you should identify on the previous employment section of the application form), we will consider references provided by other professionals, such as a family doctor or healthcare worker,

or a relevant professional who knows you, such as a social worker. If you have been undertaking voluntary work a reference can also be considered from the charity/voluntary organisation, or from an employee within the charity/organisation who knows you.

- **Safeguarding Posts**

North Tyneside Council is committed to safeguarding and protecting the welfare of children and adults at risk of harm as a priority, and as such aims to ensure the safe and effective recruitment of anyone working with these groups. All appointments of employees who work with children, or adults at risk of harm, are therefore subject to the required pre-employment checks being considered satisfactory. The Vacancy Reference Number of these posts will begin with “**DBS**”.

Reference One	Reference Two
<p>Employment reference: From the current or most recent employer. This should be from your employer or line manager, not just a colleague.</p> <p>Where you have no previous employment history, you may provide a reference from your school or university.</p>	<p>Employment or Character Reference: If the first reference relates to a post where you did not work with children or adults at risk of harm, the second reference should be from the last employment where you did.</p> <p>If you have never worked with these groups, then a character reference can be provided.</p>

- **Specified Posts**

There are a limited number of posts which require a DBS check, but which only require references in line with the Standard Post process above. The Vacancy Reference Number for these posts will begin with “**DBSR**”.

- **Apprenticeship Reference Requests**

The number of references required will depend upon the specific role. If it is a Safeguarding Post the Vacancy Reference Number will include “**DBS**” as above.

Disclosure and Barring Service checks

If the post which you are applying for requires a DBS check the Vacancy Reference Number for the post will begin with “**DBS**”. In addition, the advert will either indicate that the post is exempt from the Rehabilitation of Offenders Act 1974 and that a Standard or Enhanced check is required or, alternatively it will indicate that a Basic DBS check is required.

Under the Rehabilitation of Offenders Act 1974 normally an individual does not have to disclose details of **spent*** convictions when applying for a job. There are, however, exemptions from the Act for specified posts which are eligible due to their position of trust and authority, and/or where the post requires the employee to work

with vulnerable groups such as children, young people or adults at risk of harm. This includes working in what is defined as “regulated activity” by either:

- Department for Education, for work with children. HM Government has produced a Factual note on regulated activity in relation to children:
https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/550197/Regulated_activity_in_relation_to_children.pdf
- Department of Health, for work with adults. Guidance available at:
<https://www.gov.uk/government/publications/new-disclosure-and-barring-services>

**Spent convictions are those convictions that have reached a set period where the individual is deemed to have been “rehabilitated” if they have not offended again. The periods of “rehabilitation” are defined by the Rehabilitation of Offenders Act 1974. Unspent convictions are those records that have not yet reached this defined period of rehabilitation. Further guidance on what are spent, or unspent convictions is available at:*

<https://www.gov.uk/government/publications/new-guidance-on-the-rehabilitation-of-offenders-act-1974>

As a result, criminal record checks of both spent and unspent convictions, conducted via the Disclosure and Barring Service (DBS), are expressly required for certain posts with us. These checks can be at Standard or Enhanced level depending upon the role. In particular, posts which involve working with vulnerable groups often require an Enhanced check and, where working in “regulated activity”, may also need a check of the Barred Lists. These are lists of offenders who are barred from working with children or adults at risk of harm. Guidance regarding eligibility for DBS checks is available at: <https://www.gov.uk/government/collections/dbs-eligibility-guidance>

In some circumstances, where a post is not exempt from the Rehabilitation of Offenders Act 1974, and therefore is not eligible for a Standard or Enhanced criminal records check (DBS), a candidate’s unspent convictions may still be relevant to the post. In these cases, a Basic DBS check will be conducted, which only provides details of **unspent*** convictions. The recruiting manager can then discuss this information with the candidate. Guidance regarding Basic DBS checks is available at: <https://www.gov.uk/government/publications/basic-checks>

If you are invited to attend an interview or selection process you will be asked to bring with you the necessary identity documents required for a DBS check to be done. In all cases, however, a check will only be made after an offer of employment has been made subject to pre-employment checks. Any information disclosed at this time will be considered only in relation to its impact on suitability for the particular post applied for.

If you are offered the post (subject to pre-employment checks) you will then be asked to obtain a DBS Disclosure from the Disclosure and Barring Service using our

online application service, and to produce your certificate. Further details of the application process and guidance are provided with the job offer.

If you are registered with the DBS Update Service, we will ask you for your certificate number and consent to carry out a check via the Update Service. We will keep any information we receive from the Disclosure and Barring Service confidential and will store it securely during the recruitment process.

If you have been disqualified from working with children or adults at risk of harm and you apply for, or accept, work working with children or adults at risk of harm then you will be breaking the law.

If the post you are applying for requires a DBS Check an Overseas Criminal Record Check, or “certificate of good conduct”, may also be required, if you have lived overseas for 12 months or more, (continuously or in total), in the last 5 years, while you have been aged 18 or over. Should a check be required you will be advised of the process by the recruiting manager as the checking process varies from country to country. Further information about these checks can be found at; <https://www.gov.uk/government/publications/criminal-records-checks-for-overseas-applicants>

Please note North Tyneside Council roles which require a DBS check must have the necessary criminal records checks completed before a role will be confirmed and start date agreed.

Copies of our Recruitment of People with Criminal Records Policy (which covers the effect of a criminal record history on the recruitment and selection process), and Policy on the Handling of DBS Certificate Information are available, along with a link to the DBS Code of Practice, on the North Tyneside Council website.

Further advice and support are available through Unlock, a charity for people with convictions, at their website <https://www.unlock.org.uk>

Disqualification under the Childcare Act 2006 (DUCA2006) Checks

Please note if the post reference number for the post you are applying for is pre-fixed with “DBSC” a check will be made to ensure you are not disqualified from working in childcare. In all cases, however, a check will only be made after an offer of employment has been made subject to pre-employment checks. Guidance regarding these checks can be found at

<https://www.gov.uk/government/publications/disqualification-under-the-childcare-act-2006>

Part B

Employment and education history

In this section you should tell us about your employment and education history in full, including details of any periods of unemployment and the reason/s for them. We ask for this information in order to help identify any gaps where you were not in

education or employment, as part of our commitment to safeguarding children, young people and adults at risk of harm.

Please give details of your education history (starting from the secondary school you attended), along with the exams and qualifications you obtained. You will also be required to provide your original qualification certificates.

Personal Statement

Your personal statement is what we use to assess if you have what is needed to become a successful apprentice with the Council.

Please read the Person Specification which sets out the essential and desirable criteria for the post and explain how you meet these, giving examples.
