An rare opportunity has arisen for a committed teacher to join our very successful Science team. This post provides excellent opportunities for an experienced teacher who wants to be supported through to the next stage in their career. The successful candidate will teach Physics across all key stages, as well as GCSE Combined Science and all Science subjects in KS3 years.

You will be joining a school that has a vision to be an educational centre of excellence based on the principle that effective relationships are the key to positive outcomes. The staff team have a student centred approach and we have a robust teacher education programme. We want to invest in successful applicants and help them progress through their own career. We are looking for candidates who share the same values as us as we continue to grow our team.

Further details of this post and an application form are available on our website (www.dchs-alnwick.org) Further questions or a virtual discussion can be arranged by emailing the school at admin@dchs-alnwick.org

The School is committed to safeguarding and protecting the welfare of children. The successful candidate will be subject to an enhanced DBS check.
