**Headteacher: Ms D Thompson**

Dear Applicant,

Thank you for your interest in the position of Class Teacher at our school. This is an exciting time to be applying to join our team as we moved into a new state of the art building five years ago and have grown to two form entry. We currently have 349 children on roll. The school site is large and facilities for learning are extensive. We have plenty of space in school for working with children, a large playground and MUGA, forest school area and a substantial school field.

Ravensworth Terrace is a vibrant, popular and happy school community. We enjoy enormous support from our parents and carers who are welcomed to participate in all aspects of school life. We have a strong and very effective staff team who thrive on challenge and work co-operatively to improve outcomes for our children. They are professional, caring, friendly and fully dedicated to providing a school day that excites, challenges and motivates our children.

We strive to provide our children with a solid foundation for learning and encourage them to develop their individual skills and talents. All our staff are committed and supported to improve their practice through high quality continuous professional development. Our Governing Body is very involved in school life and care passionately about improving outcomes for every child. Most importantly, we have well-behaved, friendly children who make working at our school a pleasure. They deserve the very best that the teaching profession has to offer.

We therefore wish to appoint an outstanding teacher who is ambitious and driven and has the vision and talent to create an outstanding environment for learning.

Candidates should read the attached person specification and job description very carefully. Based upon the information within these documents, they should then submit a full application including a detailed supporting statement section.
