

PRIORY WOODS SCHOOL & ARTS COLLEGE

"A Special Place to Learn "

School Information:

Priory Woods & Arts College is an all age specialist provision situated in Netherfields. We are co-located with Outwood Academy Ormesby on a modern purpose built site. In addition to this provision we have our Priory 16 building on Fulbeck Avenue, where we have two classes for some of our post 16 students as well as our Café 16 which is usually open to the public and local community three days a week and where our young people learn valuable skills to support them in their adult lives beyond Priory Woods. Unfortunately, this café facility is currently not open due to Covid 19 restrictions.

We provide a high quality, inclusive education for our pupils who have a range of additional needs including severe learning difficulties, profound and multiple learning difficulties and complex needs. We do so by personalising the curriculum, planning and assessing with a focus on developing independence. Our curriculum is vibrant and exciting and constantly evolving.

We currently have 194 children on role, working in three phases; Lower School (age 4-11 years), Upper School (11-16 years) and Post 16 (16-19 years).

We have a large team of teachers, teaching assistants, care assistants, lunchtime assistants, IT Network Manager, School Business Manager and office support staff. Our work is also supported by Speech and Language Therapy, a physiotherapy team, a school nurse and Occupational Therapists.
