

PRIORY WOODS SCHOOL & ARTS COLLEGE

A Special Place to Learn

School Information:

Priory Woods & Arts College is an all age special school situated in Netherfields in Middlesbrough. We are co-located with Outwood Academy Ormesby, on a modern purpose built site. We also have our Priory 16 building which houses our café, close by on Fulbeck Road. We provide a quality, inclusive, creative and innovative education for our pupils who have a range of additional needs including severe learning difficulties, profound and multiple learning difficulties and complex needs.

We have three phases; Lower School, Upper School and Post 16. Our curriculum is designed with individual pupils in mind and is ever evolving to meet the wide range of additional needs.

We have a large team of teachers, teaching assistants, care assistants, lunchtime assistants, IT support and office support staff and site staff, all of whom play a key role in the education of our children and young people. Our work is also supported by Speech and language Therapist, a Physiotherapist and assistants, and a School Nurse.

For more information, please visit our website and Facebook page where you will be able to get a flavour of who we are and what we do.
