Teaching Assistant
Recruitment

May 2021

Benton Park Primary School

Dear Applicant

Thank you for your interest in our teaching assistant vacancy.

Benton Park is a larger than average primary school, located on the edge of Heaton, Newcastle upon Tyne; one of seven schools brought together as a foundation trust: the Ouseburn Learning Trust. With over 450 pupils on role, from a diverse range of backgrounds, with a wide range of needs – including specialist provision for deaf children within our HIARC – our school is a vibrant and dynamic place to work. We pride ourselves on our inclusive ethos, ambitious curriculum and high expectations for all pupils. Like all my colleagues, I am very proud to work at Benton Park Primary School; we are a highly dedicated and supportive staff team, that prides itself in offering the very best to our local community.

We are now looking to recruit a dynamic, skilful and empathetic individual to join our team as a teaching assistant with a focus on 1:1 support for children within our Early Years provision and Key Stage 1. The position will provide the successful candidate with a challenging but varied roll, providing support for some of our most vulnerable children.

A qualified and experienced Level 2 support assistant (or with equivalent qualification and experience) you will have recent experience of working with SEND children in a classroom setting. Likewise, experience of working with autistic children and pupils with social, emotional and mental health needs would be particularly welcome. You will need to be familiar with the use of individualised visual support strategies; supporting autistic children in a range of learning environments including the delivery of box time activities and have experience of supporting pupils with communication and interaction needs using appropriate intervention strategies.

We hope you are interested to find out more about joining our thriving school.

hello & welcome

Dominic Martin
