### **Technician (Technologies)**

**Term Time plus 1 week (38 + 1)**

**Permanent, Part Time, 18.5 hours Wednesday to Friday NJC Scale Point Range 3 - 4**

**Pro-rata Salary £ 7,844 - £8,001 per annum (Full-Time Equivalent £18,562 - £18,933)**

We have an exciting opportunity available for a Part Time Technician to join our Technologies Department at Kepier.

We are looking to employ an enthusiastic, outgoing and adaptable individual who has the ability to succeed in the above role.

The role will mainly support Resistant Materials, though some flexibility will be required to work across other curriculum areas and departments as necessary. Duties will include, but are not limited to, safety and maintenance checks on all the machines in the workshop, preparation of materials and resources for lessons as required, ordering of materials, setting out equipment and assistance in the daily management of equipment and tools and their general repairs.

The successful candidate should have experience of working in a similar role, ideally within an educational setting. It is essential that the successful candidate has excellent organisational skills, works well both independently and as part of a team, is able to follow instructions and show initiative. The post holder will need to develop effective and safe in class practices, and will be expected to work in a classroom situation to support practical lessons.

Kepier is committed to promoting and safeguarding the welfare of children and young people. Enhanced Certificate of Disclosures are required for this position. Please note that in all cases written references will be sought and made available to interviewers before the final selection stage. This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore will be subject to a DBS check from the Disclosure and Barring Service.

Application form, job description and person specification are available online at [www.kepier.com](http://www.kepier.com). Applications should address the candidate profile, key attributes and evidence experience relating to the full job description.

Applications only please, no CV or covering letters, to be returned to Sonia Younghusband HR Manager by email to [recruitment@kepier.com](mailto:recruitment@kepier.com) no later than noon on Wednesday 30th June 2021. It is hoped that interviews will take place Thursday 8th July 2021.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
