ICT Support Technician Apprenticeship (2 posts)

Full-time, 37 hours per week
Required for September 2021
National Apprenticeship Wage

A rare opportunity has arisen for two committed individuals to join our unique and successful IT support team. This post provides excellent opportunities for individuals interested in working in an ICT environment providing a range of IT Support skills to the whole school environment, including staff, students and visitors. There will also be opportunities to be involved at a root level in emerging technologies and new methodologies of working with ICT more effectively.

You will be joining a school that has a vision to be an educational centre of excellence based on the principle that effective relationships are the key to positive outcomes. The staff team have a student centred approach and we are committed to staff education programmes for everyone to continue their learning journeys. We want to invest in successful applicants and help them progress through their own career. We are looking for candidates who share the same values as us as we continue to grow our team.

Further details of this post and an application form are available on our website (www.dchs-alnwick.org) Further questions or a virtual discussion can be arranged by emailing the school at admin@dchs-alnwick.org

The School is committed to safeguarding and protecting the welfare of children. The successful candidate will be subject to an enhanced DBS check.
