Dear Candidate

Thank you for your interest in the post of Teaching Assistant at Ovingham Middle School.

Ovingham Middle School is one of the nine schools in the Tyne Community Learning Trust (TCLT). There are good collaborations in place across the MAT, developing different aspects of school development work, sharing best practice and considering options for centralised sharing of resources to reduce costs and workload.

The Tyne Community Learning Trust is composed of six first schools, two middle schools and a high school serving a semi-rural, geographically linked area. The MAT board determine the strategic direction of the Trust and the local governing body is responsible for monitoring, supporting and challenging the work of the school. Our mission for every child is to provide opportunities which raise aspirations, nurture talent, develop resilience and celebrate achievements.

Together our vision is to be beacons of excellence at the heart of the communities we serve. We will deliver exceptional educational experiences for children through inspirational teaching, high standards and ambitious goals. We expect excellence in everything we do within our schools.

Our vision and values focus on the academic and educational experiences that will prepare our learners to be successful in a modern world. All schools have a collective responsibility for all of our children and act as one to this common purpose.
