

A photograph of two students in school uniforms sitting at a computer in a classroom. The student in the foreground is a young man with short, light brown hair, smiling slightly as he looks at the screen. He is wearing a dark blue blazer over a white shirt and a dark tie with green and blue diagonal stripes. The student in the background is a young woman with dark hair, also smiling and looking at the screen. She is wearing a similar dark blue blazer over a white shirt. They are both sitting at a desk with a computer keyboard visible in the foreground. The background is a classroom setting with a bulletin board and some papers on the wall.

Joining the THS family

Teesside High School
Education as it should be

Teesside High School is a thriving independent day school for boys and girls aged 3-18. We are located in Eaglescliffe, Stockton-on-Tees, and are proud to serve areas across Teesside and North Yorkshire.

Teesside High School is a close-knit school which offers a unique 3-18 education in a truly unrivalled setting. Based in 20 acres of magnificent grounds on the banks of the River Tees, we are judged to be 'Excellent' by the Independent Schools Inspectorate and regularly named as one of the best performing independent schools in the North East.

In a happy and nurturing environment, our students are challenged and supported academically, pastorally and socially. We believe what we offer is unique. We are proud to be a school where we know every child's name; where we understand how each individual learns and how best to remove any possible barriers to their achievement.

Through a combination of small class sizes, inspirational teaching and excellent support and guidance, our students set ambitious goals and work hard to achieve and exceed their personal potential, both in and out of the classroom.

We are an inclusive school and children of all abilities flourish in an environment firmly focused on individual needs. Every child is given the best possible chance to thrive and succeed in every facet of their school life, in the classroom, on the stage, on the sports field and through outdoor education, to name but a few, ensuring they leave us as well-rounded and resilient young people ready to take on any challenge.

Our History

Teesside High School was created in 1970 by the amalgamation of two much older independent schools, Queen Victoria High School (1883) and Cleveland School (1939). The school is easily accessible by road (close to the A66 and A19), rail (a five minute walk to Eaglescliffe station) and air (Teesside Airport). It serves a wide catchment area with pupils travelling from across the Teesside conurbation, south Durham and North Yorkshire.

Historically, Teesside High School was a girls' school, but since 2004 boys have been admitted on a gradual basis throughout the years and the school has been fully co-educational since 2011. The school boasts an innovative Digital Learning Programme, where every child from Year 3 upwards uses an iPad or Chromebook device as part of their learning in and out of school.

Benefits of working at Teesside High School

- Family style environment, with a committed team of staff always willing to go above and beyond to help you;
- Workplace defined-contribution (DC) pension;
