A-Level Results Day

“Northern Leaders Trust is laying the foundations now for a period of solid growth over the coming years.

These results are just the start of this journey.”

Northern Leaders Trust**

About our Trust

Northern Leaders Trust; Formed in 2014, our Trust currently incorporates both Kenton School and Studio West, an innovative Studio school.

Under the leadership of Chief Executive Officer Ian Kershaw, the Trust's main objectives are encompassed in its vision statement, which is "to change the current and future lives of our students for the better, by providing them with the highest possible quality of education tailored to their differing needs. Therefore, we will work tirelessly to ensure that all our students, from all backgrounds and starting points, are enthusiastic learners, attend and behave well, are safe and healthy, make excellent progress and achieve highly, then progress to the most challenging and rewarding higher education and careers. Then they will be capable, creative, caring, committed, flexible, thriving adults, who change their world, their country, their family and themselves for the better".

Over the last three years, the Trust Board, comprising of 3 members and 7 Trustees has delivered major improvements to the governance, leadership and financial health of the Trust.

Our Trustees come from a variety of different education and business backgrounds, driving the strategic vision of the Trust and our schools. The Trust and its schools are supported by a strong central services team covering core Trust functions, such as HR, Finance, Data and ICT.

About our Schools

Studio West

Studio West opened in 2014 as a 13 to 19 studio school but, with effect from September 2017 and due to local, popular demand, a change in age range was agreed with the DfE and the school began to admit students in Year 7.

The school now has around 450 students with a PAN of 90 and is well oversubscribed in all year-groups 7-10 as it is “re- growing” its provision towards full capacity through to 6th Form from September 2022.

The ethos of Studio West is enshrined in ‘Learning that connects.’ The principle that learning must constantly connect school with the real world and the full range of work-related learning and career progression, towards university, an apprenticeship or other destination tailored to the needs of the individual.

Graded as ‘Good’ by Ofsted in early 2019, we are one of the most successful studio schools in the Country. We use the full range of work-related learning and career progression alongside academic prowess to prepare students for university, an apprenticeship, further training and employment - tailored to the needs of the individual.
