

We have a rare opportunity for a Science Teacher to join the team, if you are motivated and inspired to make a real difference to the lives of young people then River Tyne Academy could be the place for you! Our cohort are key stage 3 and 4. If you want to make a real difference to the lives of our young people then we would love to hear from you.

We are an Alternative Provision Academy who are part of a forward thinking and research driven Multi Academy Trust. We work with Gateshead's most vulnerable learners, the majority of whom are at risk or have been permanently excluded from their mainstream setting. Whilst these children may present challenges, they can be very successful learners. They require professionals who deliver a high quality curriculum in order to facilitate rapid progress at all levels.

We at River Tyne Academy have a vision to change lives and increase opportunity and were recently graded outstanding by Ofsted for our personal development. We believe that every child can achieve and put quality first teaching at the heart of all that we do. Our ethos focuses on high aspirations, progress and attainment for all, personal development and helping to encourage students to believe in themselves and what they are truly capable of.

Staff satisfaction is high with 100% enjoying working at the school and staff turnover is low as many who start with us continue to develop and grow with us. We have an ongoing commitment to staff development and well-being and staff have access to a wide range of benefits.

Should you wish to join the RTMAT Family, then please see the job description and person specification as outlined below.
