About our School

Studio West,

Studio West opened in 2014 as a 13 to 19 studio school but, with effect from September 2017 and due to local, popular demand, a change in age range was agreed with the DfE and the school began to admit students in Year 7.

The school now has around 550 students with a PAN of 90.

The ethos of Studio West is enshrined in 'Learning that connects.' The principle that learning must constantly connect school with the real world and the full range of work-related learning and career progression, towards university, an apprenticeship or other destination tailored to the needs of the individual.

Graded as 'Good' by Ofsted in early 2019, we are one of the most successful studio schools in the Country. We use the full range of work-related learning and career progression alongside academic prowess to prepare students for university, an apprenticeship, further training and employment - tailored to the needs of the individual.
