A message from our Chair of Directors

Dear prospective applicants,

Thank you for taking the time to look at, and consider, applying to St Mark's C of E Primary School, part of One Excellence Multi Academy Trust.

I am proud to be the Chair of Directors of this inclusive, thriving school, where children are put at the forefront of every decision. Our strong team of leaders ensure that the school provides for children's individual needs as well as developing a robust team of teachers and support staff who are highly trained. St Mark's staff strive for an outstanding level of education every day, ensuring our pupils academic and pastoral needs are met.

As a church school we are strongly guided by our Christian vision and values. We welcome everyone into our school, all faiths and none, and are respectful of each person's individual beliefs and views.

I strongly encourage a visit to our wonderful school so that you can get a feel of the work that is undertaken daily. If you have any questions or queries, please do not hesitate to contact the school, or a member of the school team who will do everything they can to help.

Tom Cunningham

Our Trust

Since its formation in 2017 One Excellence Trust has grown to include four primary schools, all with thriving nurseries, providing education and opportunities for 1,050 students. As part of our Trust we incorporate one of the 36 DfE English Hubs and two EMS bases (one for communication and interactions and one for SEMH) and a community nurture hub. We pride ourselves on transforming education locally and regionally, with our schools and nurseries being at the heart of their local communities and are determined to raise standards of educational achievement to the very highest levels.

All of our schools are an integral part of their local communities and have a strong sense of identity. We value the contribution each of our communities make and the distinctive opportunities and diversity they offer to the Trust. Working in collaboration, we offer exceptional learning experiences to all of our children, so the children benefit from the strength that being part of the extended One Excellence family brings.

Our vision is to be an ambitious, inclusive, collaborative family of schools, ensuring excellence in education whilst celebrating individuality. We are passionate that as a family of schools we can provide a much better standard of education than working on our own. We know we improve more rapidly as a group of schools in a Trust than if we were a school on our own in an isolated position. This rapid improvement is not achieved at the expense of any school losing its own unique identity or its position within its community. Our academies have no motivation to all be the same. They are different in accomplishments and context but we share the same values and vision for our staff and students. Each academy is a driving force in its own right. By working collaboratively we've been able to create an effective and efficient organisation and business model that allows school leaders and teachers to focus all their attention on their pupils. We work together in a supportive network to evaluate, challenge and improve practice inside and outside of the classroom. We want our students to grow into fully equipped individuals who make meaningful contributions to society and our staff to reach their full professional potential.

We live in a world that requires our children to be prepared to think both critically and creatively, solve complex problems and to communicate well. Mastery of the basics: reading, writing and maths is our core purpose and this sits equal to ensuring our children have access to a high quality non-cognitive skills curriculum ensuring well-developed social and emotional skills.

About Our School

Pentland Primary School strives itself on being at the heart of Billingham. We work closely with our community to ensure that we meet the needs of our families along with a dedication to provide the best for every child. We know that working closely with our parents and community will ensure that every child can reach their full potential. Every child, regardless of their starting point in life, deserves this. Our Pentland values (Hardworking, Confidence, Resilience, Independence and Kindness) ensure that our children learn vital skills to help them achieve whatever they put their mind to.

We currently have 336 children on roll (PAN of 45) plus a pre-school for 2 year olds. Our nursery for 2 year olds and 3 year olds is situated in a purpose built setting within the 0-19 Family Hub on Ochil Terrace, next to the main primary school building. We believe that the sooner children start in our nurturing and enabling setting, the greater impact it has on their learning and development. Building strong relationships from the start by welcoming all children into our 'Pentland family' is a priority for all staff and leaders within the pre-school.

Pentland Primary School is also the home to one of Stockton's Communication and Interaction EMS bases. Due to our reputation and dedication to meeting the child's individual needs, we are heavily, oversubscribed. Meeting the specific needs of each child is what drives us in providing a tailored provision, where the child is placed for their stage, not age in one of our EMS bases.

Every child is special and has something that makes them unique and remarkable. At Pentland we provide a broad, inclusive curriculum, catered to the child's needs that will help them on their journey to find what makes them exceptional. Celebrating a child's achievements and talents is important to a child's growth, and here at Pentland we celebrate success at every point along their learning journey.

We have a large, enthusiastic team at Pentland with each member of staff having various strengths which contribute to the ethos and education at our school. At our school, we value both the pastoral and academic successes of our children. We encourage children to develop their own personal talents and interests and believe in a rounded education for all. Our curriculum is rigorous and focused, developing skills and knowledge while using educational visits and experiences to bring it to life. Early reading, writing and maths are especially important as we know that that is the foundations for children to achieve well in life.

We are very proud of our school and the pupils and community it serves. Our parents are very involved within the school and we believe in strong parent and school partnerships. Every family is valued within their own right, and we go above and beyond to serve them.
