

Children and Families Social Work Practitioner

Information about the role:

Grade: I/J

Group: Children's Social Care and Lifelong Learning

Service: Children's Social Care

What we want you to do:

1. To act as the lead professional and manage a caseload of CiN, looked after children and child protection cases that requires extensive and skilled assessment and interventions that are purposeful, timely and of high quality, in line with agreed policies, procedures and guidance.
2. To develop, formulate, implement and maintain evidence-based care plans and pathway plans which promote the child's best interests and are in line with agreed service policies and procedures.
3. To ensure all allocated cases are subject to appropriate review in relation to individual need and local and national policy and legislation and that the views of children, young people and their families are sought in advance of any formal meetings and to support their full contribution and engagement in assessment, planning and review processes.
4. To promote the education of children in our care and young people to meet their aspirations.
5. To promote the safety, health and wellbeing of children and young people in our care and within their families and communities through the delivery of intensive support and interventions.
6. To develop and embed multi-agency and multi-disciplinary approaches and promote and model effective working arrangements across Childrens Social Care including specialist support services, family hubs, schools, and other settings, so that children in our care and young people receive holistic interventions that promote a positive journey through intervention and support.
7. To work within the Councils scheme of delegation and authorisation and ensuring that all recommendations and decisions are brought to the attention of the designated manager.
8. To ensure that record keeping, and report writing is timely and accurate, kept up-to-date and fully compliant with the Council's recording systems and quality standards and evidences the voice of the child/young person and their journey.
9. To participate in such activities as directed by the team manager that contribute to ongoing review and improvement of practice and service standards within a culture of learning and continuous improvement.
10. To take responsibility for ensuring individual practice is subject to continuous improvement and meets with local and national professional standards, including attending training and professional development events and activities relevant to the role and necessary for registration with SWE and participating positively in professional supervision and annual appraisal (A&D) review.
11. Such other responsibilities allocated which are appropriate to the grade of the post.
