**Contract Type:** Permanent

**Required:** As soon as possible

We seek to appoint a skilled and focused IT professional for the role of Senior Network Manager within Advance Learning Partnership. The successful candidate will have a proven track record of providing remote and onsite support, preferably in a relevant educational setting. They will be excellent at problem solving and finding solutions, being strategic in planning to ensure that IT Services are safe, secure, and robust, whilst maintaining flexible, friendly and strong working relationships with all stakeholders.

We are looking for an outstanding candidate who:

- Has a minimum of two years' experience in a similar role with good trouble shooting skills, technical knowledge and a service driven attitude
- Has a clear vision for how they can add value in the role, moving the Trust forward in technology advances whilst supporting both teachers and students in the classroom
- Can problem solve, manage time effectively and be responsible for the IT systems within the Academy
- Is approachable for staff to ask for help
- Can take a lead role in ensuring that the Academy IT systems are working robustly

The position is based at Hammersknott Academy with regular onsite visits to other schools within the Trust. The successful candidate will be part of a well-established Trust IT team providing outstanding IT Support for all staff and students.

**Informal visits are welcomed – please contact Mike Carnaffin, Head of IT on [m.carnaffin@alplearning.org.uk](mailto:m.carnaffin@alplearning.org.uk) to arrange a date and time.**

Advance Learning Partnership is committed to safeguarding and the welfare of children and young people. The successful applicant will be required to undertake an enhanced Disclosure and Barring Service check.
