

**Supply Pool
*Terms and Conditions***

Terms and Conditions

These generic terms and conditions govern any work offered to you as part of the New College Durham Supply Pool. All individuals who are registered with the Supply Pool, and have therefore satisfactorily completed all of their recruitment checks, must adhere to these terms and conditions and the prevailing policies and procedures of the organisation whilst undertaking such assignments. This agreement constitutes the whole agreement between the parties and any amendments to it shall be made in writing.

Applications not completed within three months of submission will be ruled null and void and the application deleted.

Claiming hours

A timesheet claim form is to be submitted based on the agreed hours for the previous month and in line with the payroll deadline dates as published on the College's Finance intranet page to allow for payment to be processed in a timely manner. Failure to submit within the deadlines may mean that payment will be delayed until the following month. It is the responsibility of all supply pool staff to submit any agreed hours within three months of the assignment taking place, according to the Financial Regulations (available from Intranet), or the payment may be refused. It is recommended that staff members submit a monthly claim form, containing all of the hours worked for that month.

The timesheet claim form will be sent for approval and the staff member will be notified when it has been cleared for payment.

Staff who are unable to utilise a computer for medical reasons which may prevent them from submitting a pay claim can request for alternative arrangements to be made. To discuss alternative arrangements, you should write to Karl Fairley Deputy Principal (HR and Corporate Services).

Supply Pool Retention

The College seeks to ensure that the Supply Pool database is periodically updated and if those who are registered on the supply pool are not utilised for longer than a 12 month period, may be removed from the Supply Pool database. After which applicants will have to re-apply and complete the recruitment checks.

Online Training

If your application is accepted, a link to complete our mandatory online training packages will be sent to the email address that you provided on your application form. This includes further information on Safeguarding (incorporates Channel and Prevent training), Equality and Diversity, and Health and Safety. This training **must** be completed prior to any bookings being confirmed, failure to complete the training will result in bookings being declined. Completion of the training is monitored regularly, and staff records are updated.

To ensure our staff up to date knowledge it is a requirement that all staff refresh this training every three years, as long as you remain registered on the supply pool you will be required to do this. When the mandatory training is due to be refreshed, it is at the discretion of your manager to add this time to your timesheet agreement. However, failure to undertake the refresher training on time will result in further timesheets not being processed.

Duties / Place of work

The duties of the assignment will be clarified by the Manager arranging the assignment. The duties may include, but will not be limited to; formal scheduled teaching, tutorials and student assessment, management of learning programmes and curriculum development, student admissions, educational guidance, counselling, preparation of learning materials and student assignments, marking of students' work, marking of examinations, management and supervision of student visit programmes, research and other forms of scholarly activity, marketing activities, consultancy, leadership and staff management, administration and

personal professional development. **This also includes the possibility of lessons being observed in internal quality processes and external inspections, including, but not restricted to, those by Ofsted.**

The standard place of work is as follows;

New College Durham, Framwellgate Moor, County Durham, DH1 5ES

If due to exceptional circumstances the College is required to amend the place of work after the agreement of the assignment, you will be formally notified of any such changes and you may reconsider your acceptance of the assignment at this point.

It is not envisaged that you will be required to work outside the United Kingdom for more than one month at any one time. If, in the unlikely event that circumstances change so that it becomes necessary, this will be by agreement with you.

Fees

New College Durham Supply Pool will agree to pay a fee which will be expressed as an hourly rate in any assignment offer. It is at your own discretion whether or not you choose to accept an assignment based on the fee offered. Please refer to section 13 below (Accepting Assignments) for more information.

To ensure fairness and equity in terms of the rates of pay assigned to each assignment, it is recognised that a consistent definition of the respective bandings would assist managers in maintaining pay parity, and as such it is suggested that the following is used;

Supply Pool Band 2	Supply Pool Band 3	Supply Pool Band 4
Payable when delivering qualifications up to Level 2 such as: GCSE's NVQ Level 2	Payable when delivering qualifications up to level 3 such as: A/AS-Level BTEC National Certificate NVQ Level 3	Payable when delivering specialist areas such as: BAMBA CIPFA PGCEBA In addition to first degrees and some foundation degrees.

You may be required to prepare appropriate course materials and carry out administration / marking in addition to lecturing. Written details of the assignment will be sent to you before it is undertaken, in the form of a Supply Pool Agreement.

For every hour of teaching carried out, New College Durham will allocate 32 minutes of paid preparation time. Payment for preparation time will be made to you as part of the total hourly rate (as per the New College Durham Supply Pool fees). These rates are detailed below:

The system will allow you to access your electronic payslip on your personal device when you are located externally from the College, i.e. from home if required. Staff who are unable to utilise a computer for medical reasons which may prevent them obtaining an electronic copy

of their payslip can request for alternative arrangements to be made. To discuss alternative arrangements for accessing your payslip, you should write Karl Fairley Deputy Principal (HR and Corporate Services) to request a meeting.

Payment is by BACS (Bankers Automated Credit System), which means that your nominated account will be credited directly from the College bank account.

If an assignment is not completed or is terminated before completion, the total gross fee will be reduced pro rata to reflect the proportion of hours completed by the date of termination. Payment will be made only for hours that have been completed as previously agreed in the assignment offer and in accordance with these terms and conditions.

No work is to be undertaken without the prior submission of an Agreement of Supply Pool hours (completed by the line manager) in which a copy of the agreement can be saved for your own records. If you undertake any work on an assignment without receipt of an agreement you may not be paid for that work.

Holiday Payments

For the purpose of the Working Time Regulations, holiday entitlement will be based on the total amount of hours undertaken within each academic term. At the end of each term (according to the College's winter, spring and summer term dates), you will receive a payment which will be allocated to you as annual leave. This ensures that all supply pool staff are paid for their annual leave at the time the leave is taken.

You will be unable to undertake any further assignments at the college during the allocated period of leave. Payment will be made for leave entitlement at the time the leave is taken.

Data Protection

The College will hold and use any personal data (including special categories of personal data) relating to you in accordance with its legal obligations, in the manner set out in the Employee Privacy Notice (as amended by the College from time to time).

The following policies will apply to the handling of personal data throughout the College including your personal data. All of these are available on the College Intranet and Website:

- Data Protection Policy

Your attention is drawn to the fact that the College may, in accordance with the Regulation of Investigatory Powers Act 2000 and the Telecommunications (Lawful Business Practice) (Interception of Communications) Regulations 2000 and our obligations under the Counter Terrorism and Security Act 2015, monitor your use of the telecommunications and computer systems supplied by the College, including your use of emails, the internet, social media accounts, telephone and facsimile. Any personal data (including special categories of personal data) obtained as a result of such monitoring will be held in accordance with the College's legal obligations, in the manner set out in the Employee Privacy Notice and in accordance with our Data Protection Policy which is available on the College website and Intranet.

No Guarantee of Work

New College Durham Supply Pool will attempt to find suitable assignments for staff on its register, however, there is no obligation for the College to do so. Equally there is no obligation for the individual to accept any or all of the assignments offered. However, once an individual has agreed to carry out an assignment there is a contractual obligation to do so, and failure to honour this obligation may lead to removal from the register.

Expenses

Expenses will only be paid where it is specified on the Agreement of Supply Pool hours form and is confirmed in the assignment offered to you.

Deductions

For the purpose of the Wages Act 1986 you hereby authorise the Corporation to deduct from any payments any sums due from you to the Corporation, for example, overpayments. You will be notified of any deductions due and arrangements will be made for the deductions to be taken.

Pension Information

All Supply Pool staff are automatically entered into either the Local Government Pension Scheme or the Teachers' Pension Scheme. This is a mandatory requirement and we must deduct pension contributions before we are able to allow an individual to opt out of the pension scheme. On commencement of employment our Finance Department will contact you with your unique member reference and members guide. Detailed guidance of the employers' duties with regards to Auto Enrolment can be found on the Pensions Regulator's website at www.thepensionsregulator.gov.uk.

LGPS:

All employees working in a Support role will be contractually enrolled into the pension scheme, unless they choose to opt out. If you opt out of the LGPS before completing 3 months membership you will be treated as never having been a member and your employer will refund the contributions to you through your pay. More details about the scheme can be found at www.lgps.org.uk.

TPS:

All employees that have a predominantly academic role and are between the age of 16 and 75 will be contractually enrolled into the scheme, unless they choose to opt out. On electing to do so the pension contributions which have been paid will be refunded through the payroll system. Anyone deciding to opt out of the scheme must complete the appropriate documentation found on the Teachers' Pension website. More details about the scheme can be found at www.teacherspensions.co.uk.

Accepting Assignments

You will agree to an assignment directly with a College Manager, and confirmation of assignment will come from the Manager in the form of a Supply Pool Agreement. If you accept any assignment by any other means, this will delay any payments.

Should you accept an assignment, you will be asked to contact the Manager to discuss the work. There is no obligation to accept any assignment offered and it will not affect your chances of being offered subsequent assignments.

An Agreement of Supply Pool hours will be sent to you by email. It will stipulate:

- Nature of work to be carried out
- Total number of hours
- Pay level (the hourly fee)
- Location of assignment
- Work pattern required

If you have any queries regarding the details on the assignment you must contact your manager in the first instance.

Notification of non-attendance

You must ensure that you carry out the work within the terms of the assignment and ensure that it is completed by the agreed deadline. If, in exceptional circumstances, you are unable to attend work for which you have been engaged, you must notify your College Manager or Human Resources of your non-attendance as soon as possible. If you are unable to carry out part or all of an assignment that has been accepted, the College reserves the right to obtain a replacement. New College Durham Supply Pool may terminate the assignment if you are unlikely to be able to meet your obligations under any assignment to the satisfaction of the College whether through sickness or any other absence. Where you do not attend for any part of the assignment you will not receive payment for that period.

Sickness Absence Procedure

Regulations were issued under the Fixed Term Employees (Prevention of Less Favourable Treatment) (Amendment) Regulations 2008; and came into force on 27 October 2008. The regulations have been effective at New College Durham since this date. The regulations mean that Supply Pool workers are eligible for SSP in the same way as other groups of employees, regardless of their length of service, provided they are considered an employee for National Insurance purposes and meet the other qualifying criteria for SSP. More information on SSP can be found at www.direct.gov.uk.

All Supply Pool employees who are an employee for National Insurance purposes may be entitled to SSP, which is payable when the Supply Pool employee is absent for more than 4 working days. The below information details the process to be adhered to by Supply Pool workers, in the event of sickness absence:

The College will check the information relating to these background checks annually and failure to declare whether there has been a change in circumstances may result in disciplinary action.
