About the Role

- Build relationships with children, young people, their families and networks, and work directly with them to undertake assessments of Children in Need and Children in Need of Protection which will help us understand what life is like for them and how we can support them and their networks to make long lasting changes.
- You would do this in line with the relevant policies and procedures in place within Together for Children and Sunderland Safeguarding Board which support us to keep children and young people safe.

Key Responsibilities

- Work with a number of children and families, to understand any worries or things which may pose a risk to them alongside identifying strengths and safety they have within the network of people around them, taking into account family diversity and equality. You will be able to work in partnership with other professionals who help and support the child to gather information, show professional curiosity and show that you can understand the impact when analysing the information. This will help us to form family led plans to manage the worries and risks and keep children safe.
- Support children who are not able to safely live with their parents/carers to find people to care for them to keep them safe and make sure that they can stay connected to those important to them. You will understand the importance of working in this way and have opportunities to develop the skills you need and the tools that will help you do this.
- You will understand and have experience in the legal and court process that guide us to make the best decisions for children and young people. You will be an advocate for the children you support and be passionate about maximising a child's life experiences to improve their overall outcomes and be balanced in your approach.
- You will regularly review and make sure that the plans in place are led by the family and are in the child's best interests and that everyone is doing what they need to be. You will make sure that the right services are in place and that children get the support they need when they need it.
- You will make sure that you record what you do in a timely and accurate way, using language that the child and family will understand. Your recordings and written work will demonstrate how and why decisions were made and will be in line with Together For Children's practice standards.
- Everything you do will be in line with the Signs of Safety approach, you will commit to the continuous development of your skills and embrace the training and development opportunities that you are offered within Together For Children
- Following receipt of training from our Coaching provider, a willingness to form part of the TfC Coaching Programme and commitment to the development of other TfC future leaders and managers through Thrive@TfC.
- To safeguard and promote the welfare of children and young people.
- Champion equity, diversity and inclusion in all aspects of your work and the communities you assist.

Our Expectations

You must undertake this role in accordance with the requirements set out below:

- Comply with Together for Children's Code of Conduct, People policies and procedures, Health and Safety Policy and EDI Statement.
- Uphold all relevant professional policies, standards and legislative requirements
- Adhere to the Data Protection Act 2018 and GDPR principles in relation to the management and handling of personal and/or sensitive information and respect the privacy of personal information managed by Together for Children Sunderland.
- Comply with the Freedom of Information Act 2000.
- Follow Together for Children Sunderland's and NHS ICB's information security standards.
