- You get tax relief on all contributions.
- You can take a tax-free lump sum payment on retirement.
- Each year you will build up a pension based on your pay, which is adjusted for inflation on an annual basis.
- Protection should you have to retire early due to ill health.
- Life cover of 3 times your assumed pensionable pay
- Dependant benefits payable if you die so your pension doesn't die with you.
- There are no hidden management fees or hidden costs, you simply pay a percentage of your salary.

Shared Salary Sacrifice AVC Scheme

Local Government Pension Scheme members have access to a Shared Cost Additional Voluntary Contribution (Shared Cost AVC) scheme.

A Shared Cost AVC scheme differs to a standard AVC because it is a shared cost arrangement, meaning both you and your employer contribute into your Shared Cost AVC fund in a salary sacrifice arrangement.

The main advantage is that you save money on both Income Tax and National Insurance contributions.
