Easington Academy is a part of the North East Learning Trust and are seeking to appoint a Technical and Curriculum Science Technician to join our dedicated team.

At Easington Academy, students consistently achieve good GCSE results year-on-year and we are on a steady path of positive progress. We were rated as 'Good' by Ofsted and we are now on a journey of excellence.

Our primary aim is for each young person to be both courageous and caring, resilient and determined as they strive for excellence, an active and well-rounded citizen with deep integrity and one who respects others and contributes positively to society.

Our vision, along with all schools in the Trust, is that every child experiences excellence every day.

We are committed to:

- A vibrant learning community with enthusiastic and engaging students
- A positive and caring ethos
- An excellent learning environment and resources
- A team of hardworking, dedicated and friendly staff where everyone is valued

We will offer you:

- National Terms and Conditions of Employment
- Access to Local Government Pension Scheme
- Up to 1 day paid leave for staff wellbeing
- Lifestyle Savings – range of discounts from top retail brands
- Discounted gym membership
- 24/7 Employee Assistance Programme and wellbeing portal

The successful candidate will:

- Have proven experience in a laboratory or school prep room.
- Have highly developed communication, organisational and interpersonal skills.
- Have energy, enthusiasm and initiative.
- Have experience and competent to trial, prepare and set up practicals in all 3 Science disciplines for lessons.

Deadline: Tuesday 1st September 2026 9am

Interviews taking place - to be confirmed

How to apply:

Application packs can be downloaded from our website.

Letters of application should be no more than two sides of A4 and should be returned with application forms to tracey.hann@easingtonacademy.co.uk or by post to Tracey Hann, Support Services Manager, Easington Academy, Stockton Road, Easington, SR8 3AY. Please do not submit a CV unless it is to complement your application form.

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and we expect all staff to share this commitment. All posts will be subject to receipt of satisfactory enhanced DBS disclosure, medical and reference checks. All pre-employment checks are in line with "Keeping Children Safe in Education" and the Trust's Safeguarding Policy which is available on our website.

Job description

Post title: Technical and Curriculum Science Technician
Responsible to: Head of Science
Responsible for: Providing support to the Science Department
Salary Band: Grade 3 SCP7-SCP11

Job Purpose:

To advise and support science staff in all aspects of their work, for example, supporting students in class, preparation of teaching and practical materials and displays, updating records, including production of reports and analysing information.

Duties and Responsibilities:

- To advise and support Science staff in all aspects of their work, for example, supporting students in class, preparation of teaching and practical materials and displays, updating records, including production of reports and analysing information.
- To ensure the maintenance of safe working environments within the Science prep room and Science laboratories and ensure adherence to health and safety regulations in relation to equipment and materials used by staff and pupils.
- To ensure COSHH regulations relating to the maintenance, storage and preparation of chemicals and equipment are adhered to.
- To set up necessary equipment in teaching rooms as required and return equipment to the prep room and store securely.
- To keep prep room and science labs tidy, including cleaning equipment
- To manage, support and develop other technical support staff, ensuring they have the required skills to provide technical support for teachers.
- To assist in the monitoring of stock and ordering of materials in consultation with the Head of Science.
- To support the Head of Department with the day to day administration in order to facilitate the smooth running of the department.
- To work with individuals/groups of students in order to facilitate their learning at Key Stage 3 and Key Stage 4.
- To support the planning and delivery of extra-curricular activities in the department this may involve working with and also in partner feeder schools and liaising with partners in both education and business.
- To participate in department and whole school meetings/INSET as required.
- To carry out other duties allocated by the Head of Science.
- To undertake first aid duties and manage the flow of incidents, as requested.

General

The duties and responsibilities highlighted in this Job Description are indicative and may vary over time. Post holders are expected to undertake other duties and responsibilities relevant to the nature, level and extent of the post and the grade has been established on this basis.

Health and Safety:

It is the responsibility of individual employees at every level to take care of their own health and safety and that of others who may be affected by their acts at work. This includes co-operating with the Trust and colleagues in complying with health and safety obligations to maintain a safe environment and particularly by reporting promptly any defects, risks or potential hazards. Specifically:

- To report any incidents/accidents and near misses to your line manager
- To ensure own safety and safety of all others who may be affected by the Trust's business

Safeguarding

The Trust has a Child Safeguarding policy and procedure in place and is committed to safeguarding and promoting the welfare of all its students, each student's welfare is of paramount importance to us and you are expected to share this commitment. All staff will fully comply with the Trust's policies and procedures, attend appropriate training, inform the Designated Person of any concerns, record any potential safeguarding incidents appropriately.
