Thank you for your interest in St Cuthbert's Catholic High School. For over one and forty hundred years, St Cuthbert's has been nurturing fine young men, preparing them to take their rightful place in the Church and in the world. We have provided our pupils and students with a challenging yet supportive environment within which to discover and develop their own God-given gifts.

There are great schools of all kinds. The experience of working in a school like St Cuthbert's is made distinctive by our expertise in educating boys. In a world that demands ambitious action and bold thinking, our vision, mission, and values reflect our responsibility to help to form great men ready to do good in our world. Characterised by a balance of tradition and innovation, we are resolute in our commitment to 'forming great men'.

Of course, what matters most is the quality of education on offer. We offer a high-quality Catholic education to boys of all faiths and none. St Cuthbert's is a truly comprehensive school, but the St Cuthbert's experience is so much more than a comprehensive education. A good test of this is to see the quality and range of destinations that our pupils have the confidence to pursue beyond St Cuthbert's. We are proud to see our boys progressing to world-class universities and degree apprenticeships, choosing a varied range of courses.

St Cuthbert's prepares young men to find their God-given calling and answer it with energy and passion. In our school, in our local community and around the world, our young men serve, lead, and strive to make a difference in the lives of others. If you believe that you can contribute to such a community, if you believe that you have the energy, passion, and commitment to help our boys to excel and to become great men, then I look forward to receiving your application.

Daniel P Murray
Headmaster

Vision

To be a premier Catholic learning community for the 21st century, preparing young men to witness to Christ and so create a world of justice, peace, truth and love.

Mission

St Cuthbert's Catholic High School is a community gathered together by God, to form fine young men of integrity who will live according to the pattern of life given to us by Jesus Christ. We will strive, through dedication to academic excellence and the formation of the whole person, to form young men of competence, conscience, compassion, and commitment, who, educated in faith and for justice, will live their lives in the service of others.

Values

Faith– to give boys of all faiths and none, a profound, life-changing experience that focuses on God's unconditional love and a deeper understanding of themselves as persons of faith and confidence in themselves.

Catholic Spirituality– to root students in the Catholic faith and the rich diverse spirituality of the Catholic tradition To focus on loving service to God and neighbour. To discover and share one's gifts and talents with the world.

Formation of the Whole Person– to thoughtfully and intentionally integrate the fullness of human experience through spiritual, intellectual, emotional, social and physical development.

A World Affirming Perspective– to provide a spiritual dimension which sees creation as good. To promote a dialogue between faith and culture, which fosters the capacity for critical and original thinking. To appreciate the gifts of life.

Diversity– to create and sustain a vibrant, inclusive community reflecting the expansive demographics and rich mixture of Newcastle's population.

Scholarship– to build a culture of lifelong learning and inquiry through a rigorous and innovative Catholic curriculum.

Service– to be informed by a faith that does justice. To challenge our boys to be "Men for and with Others." To be in companionship with–and learning from– the disenfranchised, the marginalized and the most in need. To serve as Jesus did.

Leadership– to develop young men who are compassionate, intellectually distinguished and morally courageous. To create young men of integrity who become effective "agents of change" for the world.

If you come to work in one of the many Catholic schools in the United Kingdom, you will become part of a vibrant and wonderfully rich educational tradition that is centuries old and has global reach. The Catholic Church has, in collaboration with parents, been providing a Catholic education in almost every country in the world, working with millions of young people. As a global organisation with a universal mission, working in a Catholic school will offer you shared goals and a collective mission wherever you find yourself.

Catholic schools are committed to academic excellence and the formation of the whole person. We want every young person to achieve his or her academic potential. However, there is more to being a human being than passing examinations. Catholic schools educate young people in faith, and for justice, so that they might live their lives in the service of others. Our schools are judged not merely by their academic outcomes, but also by how our young people grow to be competent, compassionate, conscientious and committed young adults.

Catholic schools throughout the world share a commitment to helping parents bring up their children, encouraging reflection, prayer, religious commitment, and service to others. In this we are inspired by and faithful to the Gospel of Jesus Christ. We welcome those who are Catholic, from other Christian Churches, and those who belong to other faith or religious traditions or are of no religious tradition.

Anyone who wishes to teach or learn at a Catholic school, must come with an open mind ready to appreciate and learn from the Christian message and that of other traditions.

Why should you become part of a teaching tradition that is centuries old?

The Bishop Bewick Catholic Education Trust

St Cuthbert's Catholic High School is a proud member of the Bishop Bewick Catholic Education Trust (BBCET). The school joined the Trust on 1st December 2020.

BBCET is one of four Catholic Education Trusts in the Diocese of Hexham and Newcastle. Comprising 39 schools, five secondaries and 34 primary schools, BBCET includes all Catholic schools north of the Tyne and south of the Tweed.

As a member of the Trust, St Cuthbert's has access to a wider range of support and expertise to continue to develop and improve. Subject networks, high quality professional development and shared resourcing, ensure that we provide an education that can transform lives.

BBCET works to ensure that all of the children and young people in our schools experience the best education possible. The Trust is committed, as a community of schools, to come together and harness the very best of ourselves, to embed this fully and to support each other so that all schools thrive and learn.

We are one Trust, and we work as one Trust. However, our schools maintain their individuality, uniqueness, and a great deal of autonomy. BBCET encourages school leaders and staff to be creative and innovate to ensure that we provide the best practice available.

Each school brings skills, strengths, and talents. Each new member of staff joining one of our schools brings skills, strengths and talents. Working together we can enhance the work that we do, offering a great Catholic education to the children and young people that we serve.

The history of St Cuthbert's is a cause for genuine pride. Academic achievements and sporting successes in abundance are on record. Our former pupils grace all the professions and make a very valuable contribution to the life of the Church in many parts of the world. On the 16th August 1881, the Right Reverend James Chadwick, Bishop of Hexham and Newcastle, entered the premises of 62-64 Westmorland Road, Newcastle upon Tyne, and proclaimed the opening of St Cuthbert's Grammar School. The school soon outgrew its central location. The search began for larger more suitable premises to the west of the city. Benwell Hill House, the home of the Westmacott family, came up for sale and was bought together with the grounds which extended to 28 acres. It was in July 1922 that the pupils of the school were told to report after the summer holidays to the new school on Benwell Hill. The new school was officially opened by Cardinal Bourne in September 1922.

In the 1950s, the school began a period of expansion. The curriculum was developed, and new subjects introduced. The site was improved with the refurbishment of one of the old buildings as a biology laboratory and a language laboratory in a classroom in the Old Hall. During this time, many new appointments to the staff were made, recruiting in the main from former pupils of the school as well as from others with different educational backgrounds and with experience in other schools. In the late 'seventies the provision for Catholic education in Newcastle was enhanced and St Mary's became a mixed school serving pupils from the east side of the city, and Sacred Heart and St Cuthbert's each formed single sex comprehensive schools serving the west and northern areas of the city.

In 2012, the school converted to Academy Status and on 1st December 2020, it joined the Bishop Bewick Catholic Education Trust. The school continues to strive for a balance of tradition and innovation. The school has a proud history and an exciting future.

*St Cuthbert's
today...*

Newcastle has grown, changed, and developed since the late nineteenth century and in 2024 is very different from the city of 1881. Newcastle has transformed itself into a cultural landmark and is now renowned for being the business, scientific, and social hub of the North East. While the maroon blazers of our boys' uniform and our school crest have remained unchanged since our foundation, St Cuthbert's today has transformed itself into a vibrant and dynamic school, reflecting the community it serves.

There are over 1200 boys on roll, the majority of whom join St Cuthbert's from one of our 13 feeder primary schools. However, the school also attracts boys from all over the city and beyond. The school community is inclusive and diverse. There are over 30 home languages and a global representation of different cultures and traditions. As the only comprehensive school for boys in Newcastle, we are uniquely placed to recognise, and celebrate the unique value that an all-boys' education offers. We offer a safe place for boys to take chances, express their emotions and discover subjects such as the creative arts and classic literature. With gender stereotypes and gender distraction out of the picture, the boys can concentrate on their learning and on co-curricular interests. Some experts say that this lack of pressure and competition gives rise to more welcoming attitudes toward peers and the easier formation of lasting friendships. The boys describe the school as a 'brotherhood' and many of our boys form strong friendships that last well beyond their time with us.

St Cuthbert's benefits from an excellent, supportive and collaborative staff, both teaching and support staff. The exceptional co-curricular programme at St Cuthbert's is often cited by pupils as one of the school's greatest strengths. From basketball, football, and athletics to chess, board games and crochet, the opportunities for pupils and staff to be involved in, and enjoy, activities beyond the classroom are endless. The sheer number, the quality and the variety of sports, arts and clubs available are impressive. These numerous opportunities for the boys reflect the commitment and dedication of the staff.

We have an extensive school site of high-quality facilities where all teachers benefit from the privilege of their own classroom. Each department has its own area of specialist rooms and additional staff facilities. In 2024 we are beginning a period of expansion of facilities adding an impressive Dining Room extension, an additional multi use games area and 4G pitch to our already impressive facilities.

St Cuthbert's is a community that is always working to improve and to deliver the best possible outcomes for the boys in our care.

The core purpose of every examination invigilator at St Cuthbert's Catholic High School is to supervise pupils/students whilst they are undertaking examinations in accordance with school and examination board policies and procedures.
