

JOB DESCRIPTION

Post title: Trust Lead Practitioner of Mathematics
Academy: Shared Services, based at Sunderland Academies
Reporting to: Director of Mathematics
Salary/pay range: LP4 – LP7
Hours of work: Full time

Job purpose

The Trust Lead Practitioner of Mathematics is part of the Trust's School Improvement Team and will work with the Director of Mathematics to improve the quality of education in the teaching of mathematics across the secondary academies in the Trust.

Some travel between the academies is part of the role. In addition to supporting improvements at KS3 and KS4, the post holder may be involved in supporting the teaching of mathematics post 16.

Main duties and responsibilities

- To promote and be committed to Laidlaw Schools Trust aims and objectives
- To support the development of improvement strategies in mathematics for all pupils
- To promote and be committed to securing high expectations for learning and the raising of achievement in all our academies

To assist the Director of Mathematics with the delivery of subject improvement plans and the raising of achievement in maths in our different academies via:

- The delivery of effective teaching and impactful interventions in designated departments/classes/groups across academies
- Provision of workshops or targeted support for targeted groups of pupils
- Assessment, moderation, feedback and reporting in line with the improvement plans
- Modelling of high-quality teaching in all aspects of mathematics
- Support for the development of curriculum planning and related high quality teaching materials
- Supporting teachers via coaching, team teaching and bespoke professional development
- Contribution to Trust review, monitoring and evaluation processes
- Contributing to professional development activities as part of the Trust school improvement offer
- Supporting Early Career Teacher provision and support where required
- Supporting post 16 mathematics
- Contributing to wider Trust school improvement and training activity

To maintain the highest standards of professional practice:

- Be aware of, and comply with, all Trust policies including in particular Health and Safety and Safeguarding
- Adhere to school improvement team guidance on lesson observation, feedback and support for colleagues
- Work in a professional manner at all times, maintaining confidentiality of records and information

- Maintain a high standard of professional and subject knowledge in relation to the role
 - Participate in Trust performance management processes and undertake professional development as required
 - Adhere to all internal and external deadlines.
 - Contribute to the overall aims and ethos of The Laidlaw Schools Trust and establish constructive relationships with nominated Academies and other agencies as appropriate to the role
-

Other duties

- Carry out any other duties in accordance with the expectations of a Trust Lead Practitioner of Mathematics at the reasonable request of the Director of Mathematics.
- Ensure that the area of work complies with legislation relating to health and safety, and observe and implement specific responsibilities in relation to these matters as detailed within the Trust's policy.
- Provide support in an emergency or evacuation situation, in a calm professional manner. Actively provide information to any emergency service when requested to do so.
- Be aware and familiar with policies and other guidance on the safeguarding and promotion of wellbeing of children and young people. Take appropriate action in accordance with policies and Keeping Children Safe in Education where required.
