Mobility Coordinator (EURO 2028)

Person Specification

We will use these criteria to assess your suitability for the job.

Essential

1. Experience of planning and delivering transport or mobility operations for a major sporting event, festival or comparable large-scale event
2. Experience working with Local Highway Authorities, Traffic Management and Transport Operators.
3. Experience of developing operational plans, contingency plans and transport-related risk assessments.
4. Proven ability to contract manage and track performance of suppliers to deliver complex projects against immovable deadlines.
5. Understanding of accessibility and inclusive transport planning for major events.
6. Experience working with large data sets to manage resource allocation, training requirements and workforce schedules against tight budgets.
7. Highly developed communication skills with the ability to build strong stakeholder relationships with key players such as Highways, Transport Operators and Emergency Services.
8. Knowledge and experience of working within the guidelines set out by the Purple Guide and other UK Health and Safety legislation
9. Embrace diversity and display respect and loyalty to colleagues.

10. Ability to remain resilient, adaptable and effective when managing competing priorities and operational pressures.

Desirable

11. Experience of working within a multi-agency command and control environment.
12. Experience of developing and implementing strategic transport or mobility plans.
13. Relevant professional qualification.
