Macmillan Academy

WE'RE RECRUITING

Teacher of Science

Starting February 2027 • Experienced teachers and ECTs welcome

Inspiring every student to succeed

Are you an inspirational science teacher who loves seeing young people get excited about how the world works? We're looking for an enthusiastic, reflective practitioner to join our science department from February 2027 – someone who can engage and motivate students and who is always looking to improve.

You'll join a supportive, collaborative department that is passionate about inspiring young people in their learning and committed to raising the achievement of every student.

Why Macmillan?

- A supportive, collaborative science team that shares ideas and resources
- Teach across the full age and ability range – including Post 16, with around 250 students in our sixth form
- A wide range of CPD, including our expert teacher programme
- A school with a strong reputation for academic success
- A genuine commitment to a holistic education for every student

Macmillan Academy is a large 11–19 school in Middlesbrough, Teesside, with over 1,500 students on roll.

Our commitments

This school is committed to providing equality of opportunity for all and ensuring that all stages of the recruitment and selection process are free from unlawful discrimination and bias. Recruitment and selection procedures may be monitored to ensure that applicants are not being discriminated against on the grounds of any protected characteristic; sex, race, disability, age, religion or belief, sexual orientation, gender reassignment, marriage and civil partnership, pregnancy or maternity.

We are committed to safeguarding and promoting the welfare of our students and young people. We have a robust Child Protection Policy and all staff will receive training relevant to their role at induction and throughout employment with the Trust. We expect all staff and volunteers to share this commitment. This post is subject to a satisfactory enhanced Disclosure and Barring Service criminal records check for work with children.

An online search will be undertaken on all shortlisted candidates, on information available in the public domain.
